# ⚠ WARNING

● Use this product only under adult supervision. Discard packaging materials immediately after opening. Avoid contact with sharp objects.

● Risk of fire. Keep away from fire sources. Take special care to prevent infants from biting or swallowing parts of the product.

● Do not place heavy objects or hot items on the product, as this may cause irreversible stains or damage.

● DO NOT wash, bleach, dry-clean or iron. Clean only with a water-dampened cloth; do not use alcohol or any solvents, then air-dry thoroughly indoors.

● Prolonged exposure to high temperatures, humidity or direct sunlight may cause discoloration or deformation. Avoid such conditions.

● Beverages or infant urine may leave mineral deposits (scale) on the product's bottom. Clean immediately with a neutral detergent if contaminated.

● Do not use harsh chemicals (e.g., bleach, air fresheners, acetone) as they may damage the product.

● Adult supervision required during use and assembly.

● If product becomes damaged, small parts may detach and pose a choking hazard.

● Keep away from fire or other sources of ignition.

● Plastic packaging can present a suffocation hazard—keep away from babies and children.
